FDA Commissioner Jane E. Henney, MD
Parklawn Bldg. Room 14-71
5600 Fishers Lane
Rockville, MD 20857

October 26, 1999

FDA Commissioner:

We are writing to ask that you place a ban on the nonmedicinal use of antibiotics on farm animals where the antibiotics are used on humans.

Because of the use on Animals, many bacteria are becoming resistant to antibiotics in humans.

Mr C.C. Edington
Mrs Ruth T. Edington
